

YOU ARE A RETIRED PLAYER

**Here is the Next Stage
of your game!**

Guidance off the field is just as important as the professional guidance you received on the field. Kevin Garrett understands the unique financial planning, retirement, and wealth management needs of veteran NFL players.

RETIRED AND STILL IN THE GAME

Retirement from football may not necessarily mean retirement from working altogether. We've worked with several athletes who have transitioned from the NFL to more traditional employment.

Often, a new career means new choices for benefits. Our firm understands the specifics of the tenured benefits you receive and can help you make the appropriate supplemental benefit choices in your new role.

We also assist NFL veterans who may be disabled, or fully in retirement, and in need of a lifetime income stream.

YOUR GOALS FOR TODAY, ARE YOUR SCORES FOR TOMORROW

As independent wealth managers, we act in your best interests. We assist our NFL clients in these and other specialized areas:

- Advice on purchasing decisions (real estate, automobiles, jewelry)
- Wealth protection strategies
- Investment managing
- Financial planning
- Budgeting
- Benefit advising
- Estate planning

Securities and advisory services offered through LPL Financial, a registered investment advisor, member FINRA/SIPC.

We provide The Long Run in planning your present and future, keeping you in the financial game!
